Welcome to our office.

Hours

Our office doors are open from 8:00 AM until 4:30 PM Monday – Friday. We are available by phone from 9:00 am until 4:30 PM Monday – Friday. Our answering service will pick up before and after these times, enabling us to provide 24 hour coverage 7 days a week.

Appointments

All office exams, lab work, injections including flu shots and blood pressure checks are scheduled by appointment only. In order to obtain a mutually convenient time, we request that routine follow-up appointments be scheduled well in advance. If, for some reason, you are unable to keep your appointment, we ask that you notify the office 24 hours in advance.

Emergency

In the event of an emergency, call 911, and you will be taken to the nearest emergency room. If you are uncertain about the degree of urgency, you may call the office for advice on how to proceed.

Hospitals

The physicians are on staff at Virginia Hospital Center and Inova Fairfax Hospital.

Pharmacy

Please have your pharmacist call, fax or send e-refills before you are completely out of your medication. Requests for prescription refills after normal office hours and over the weekend are discouraged. The physician on call will grant only enough medication to see you through the evening or weekend. If a written prescription is needed, please allow ample time for the physician to write and mail it to you. This process can be accelerated considerably if you pick up your prescription here at the office before 4:30 PM. Be sure to be specific with the receptionist as to whether or not the prescription should be mail or picked up.

Insurance

There are several insurance carriers that require a referral at the time of service. Be sure to know your insurance carrier's rules. When in doubt, read your manual or call the insurance company directly before scheduling an appointment. All insurance companies require that an updated information sheet with signature be completed yearly.

Billing Department

Should questions arise regarding your bill, the billing office can be reached from 9:00 AM until 4:30 PM Monday – Friday at 703-527-1400.

Thank you for choosing our office. We hope the information provided is helpful.
